

Registration, login and password reminder

Account registration

1. The first step is to enter the website www.are.am.szczecin.pl
2. In the panel, the user clicks on the 'Registration' button

The screenshot shows a dark teal login form titled "Login to ARE". It contains three input fields: "Login", "Password", and "Role" (a dropdown menu with "Author" selected). Below the fields are three buttons: "Login" (highlighted in teal), "Registration", and "Remind password".

Co-financed by MNISW, decision No. 790/P-DUN /2016, task 4. Development of web-based editorial module for exchange of articles in the editor – author – reviewer system.

3. The registering person has to complete the required fields marked an asterisk *
4. If the user selects the option 'I agree to be a reviewer for the Scientific Journals of the Maritime University of Szczecin (only for the reviewer's account)', the user is expressing their willingness to be Reviewer for the journal.
5. After completing the required fields, the user confirms the entered data by selecting 'Register'.
6. The user activates their account by clicking on the activation link sent to their specified email address.
7. The account is ready for log in.

Login

1. The first step is to enter the website www.are.am.szczecin.pl
2. Then the user enters their login and password chosen during registration.

This is an identical screenshot of the "Login to ARE" form as shown in the previous image, featuring the same input fields and buttons.

Co-financed by MNISW, decision No. 790/P-DUN /2016, task 4. Development of web-based editorial module for exchange of articles in the editor – author – reviewer system.

3.

4. Next, the user selects their 'Role' from a drop-down menu.
5. Users may chose the following 'Role' - Author, Reviewer, and Editor.
6. The user then logs in by clicking the 'Login' button.
7. If the entered data is correct, the user with be able to view their selected account panel. Otherwise the user will be prompted to correct their data.
